

Vilnius 2019

22th SABRA Composing Tourney

An orthodox H#2 is required:

White piece **A**, in the first move, guards square X, which is guarded by White piece **B**. The mate is given by white piece **B**. During the solution some kind of dual avoidance must exist. It is possible to compose cyclical problems

Judge: Menachem Witztum

Prize: 1 bottle of **SABRA** - the liqueur of Israel for your enjoyment and 2 bottles of selected Israeli liquers.

Entries should be submitted to **Paz Einat** by email: paz@pazeinat.com until 21/8/2019 at 19:00.

Open to all composers but those not participating in the congress are limited to one problem only, and only congress participants can receive prizes.
